Subject: ACTION REQUIRED: Inquiry from Congresswoman Ann Wagner re: West Lake Landfill
Importance: High

I talked to Erik with Congresswoman Wagner's office.

He stated that they have been told of an EPA preliminary report that is circulating around about nuclear waste material at the West Lake Landfill site. He also stated that MDNR and the MoAG's office has a copy of the report.

Afterwards, I called Dan Gravatt and he thinks that he may be referring to the GCPT status report from the PRPs that was shared with MDNR.

Please advise on how to respond to Congresswoman Wagner's request.

Thanks.
